

# RWNYC - City Centre Parking

## Recommended:

The recommended car parks are the BCC pay and display carparks. You can also pay by phone. Blue badge holders are free.

Ludgate Hill Car Park (B3 1AT) – probably the best option!

Great Charles Street Car Park (B3 1NR).

2 hours	£2.60
Up to 24 hours	£3.50

These car parks are on the direct walking route between St Paul's and the City Centre. Also not far from St Chad's.

## Markets Car multi storey carpark (Bradford Street) (B5 6BS)

Payment is:

1 hour	£1.10
2 hours	£1.70
3 hours	£2.80
4 hours	£3.20
6 hours	£3.80
Up to 24 hours	£4.00

Convenient for St Martin's . Can be very busy with shoppers in the middle of the day.

Grand Central

Underground car park. Access of Smallbrook Queensway. Worth considering if you have a member of your group who would benefit from borrowing a mobility scooter.

## **Other options ....**

### **For other car parks**

BCC car parks, see [www.birmingham.gov.uk/citycentrecarparks](http://www.birmingham.gov.uk/citycentrecarparks).

NCP, see [www.ncp.co.uk](http://www.ncp.co.uk)

Multi-storeys are generally more expensive than open air; the NCP ones even more so than the BCC ones. I would avoid any in the very centre as you are likely to get involved with congestion getting to and from them.

### **Pay and display on street parking**

You can pay on street near St Chad's for up to 4 hours on a Saturday cost £3.50 for 4 hours (after 6pm is free). Shadwell Street, Bath Street etc.

### **Free parking**

You are likely to find free parking just outside the City Centre Controlled Parking Zone in the area north of St Chad's Cathedral. There are also other open air Pay and Display car parks in this area which cost £3.00 all day. You need to balance this with the time spent walking the team. The roads in question are in the area off Summer Lane/New Town Row.

They are approximately:-

- 10 mins walk from St Chad's
- 15 mins from St Paul's
- 20 mins from St Philip's
- 25 mins from St Martin's
